What was your overall first impression of the website?

The color theme was chosen quite well. Overall site had a consistent theme to it.  
Did you have any technical difficulties as you navigated through the pages and displayed the projects?

There wasn't any issues.

What do you feel are the most effective design elements of this web portfolio?

The color theme was done very well

What would you suggest be changed with the design or content of this web portfolio?

There could've been more content about the individual. I felt that there have more information about their experiences. Other than that issue, that site looks very good.
