What was your overall first impression of the website?

I like the color schemes of the page. I also like the white lettering on a dark background.

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

No. I had none. The project is well put together

What do you feel are the most effective design elements of this web portfolio?

- 1) The colors
- 2) I like the layout of the objects and overall theme.

What would you suggest be changed with the design or content of this web portfolio?
